Mid-Year 2006 Report  
Stratford, Ontario

The supply of large print hymnals had been sold out. In November 2005, an anonymous donor stepped forward and paid for 500 to be printed. The original cover could not be duplicated so the cover of the 2004 NAFOW program book cover featuring the Festival dragon logo was used for the large print hymnals.

This committee has put together the Registration Book and is continuing to work on the Program Book. We have produced 3 articles for Ninnau about the Festival.

Publications Committee chair Ada Mae Lewis and Committee members Janet Briggs, Gerri Baker Parry, Festival Assistants Donna Ellis and David Williams and ex officio John Ellis and Dic Baskwill.
